

## COVID-19 Operational Response Plan for employers

Includes consultation up to 2 hours  
with one of our experts **£400+VAT**

We will gather general information about your business and specific detail on the impact of COVID-19.

We will discuss a number of items including:

1. Time and financial pressures
2. Existing contractual provisions
3. Any existing recognised trade union or other representatives
4. Possibilities for home working
5. Any preferences with regard to retention of staff
6. Your risk appetite
7. Potential courses of action for your business

We will explore potential measures you can take relating to your employees.

You will then receive a high level  
**Written Operational Response Plan**

**£400 +VAT**
